Photo's of Equipment Ceramic Full Flat Element

The photo on the left shows a Full Flat Element also pictured behind it is a full trough element.

The FFT acts more like the ESE units however they give out a slightly more bigger spot.

All sizes are approximate.

The size for the above unit are:

9.5" long

2.5" wide

1.5" tall (excluding leads)

available in 150 watt. Higher wattages are available by special order.
